

April 1st Rally at The Mall in Albany

SAFER Regulation through Education...not Legislation

Governor Cuomo says we are not welcome? He says there is no place for us in New York State? He says we are extremists. Now he has Chuck Schumer saying that the government should persecute dissenting opinions. What is next? No room for us in the county? Are you ready to pay Mr Cuomo a visit? Are you ready to defend your place in New York, are you ready to defend your home and your civil rights? On April Fools Day, we will meet in Albany to visit our governor. We dare him to tell us to our face that there is no place for us in this state!
